

## Draft Resolution

Application by MD 111–Germany to the Europa Forum 2018

### **Subject:**

Rules of Procedure for the Euro-Africa Committee

### **Explanation:**

After forty years of existence the Euro-Africa Committee has not yet adopted rules of procedure.

The past couple of years showed that such rules are necessary and sensible. The legal situation is comparable to the rules and procedure of Lions European Music Competition Thomas Kuti (LEMC). Those rules of procedure were adopted by the European Council 2013.

The attached EAC Rules of Procedure were drafted by the EAC members at Europa Forum Montreux after careful consideration of the existing individual EAC decisions, the rules of Procedure of the Europa Forum and the All Africa Conference Agreements.

The All Africa Conference Organization accepted the EAC Rules of Procedure in Lomé, February 3rd, 2018.

### **Financial consequences:**

None

### **Resolution / recommendation:**

Multiple District 111–Germany proposes the following resolution at the Europa Forum 2018:

The European Council decides to adopt the Euro-African Committee Rules of Procedure attached.
